Our Leadership

Misheck Chimutanda, CA, CPA

Lead Consultant – Strategic, Financial & Transaction Advisory

Misheck is a seasoned strategic and financial executive with more than 18 years of experience across corporate finance, audit, transaction advisory, and enterprise transformation.

He has served in senior leadership roles across Botswana and Zimbabwe, advising corporates, SMEs, investors, and public institutions. His expertise spans strategy development, capital mobilisation, financial management, M&A preparation, transformation, and board-level advisory. He also holds an Executive Program in Management and Business Administration, further strengthening his leadership and strategic management capabilities.

Mercury V. Chimutanda

Consultant – Research, Finance & Development Advisory

Mercury is an experienced finance and research specialist with a strong background in financial advisory, risk and credit analysis, and market activity assessment. She brings analytical depth and research clarity to strategy and transaction engagements. She holds a Master's in Finance & Investment and is currently pursuing a PhD, specialising in SME development, financial inclusion, and access-to-credit ecosystems. Her published research strengthens the firm's evidence-based advisory approach.

Her professional interests include SME growth models, development finance, impact evaluation, and credit market

Our Approach

Data-driven analysis

Deep regional insight

Hands-on execution

Cross-sector expertise

Collaborative stakeholder engagement

Our methodology

Our advisory engagements follow a structured, impact-focused methodology:

- ✓ **Diagnose** — Analyze the environment, challenges, opportunities
- ✓ **Design** — Craft strategy, structure, and actionable recommendations.
- ✓ **Deliver** — Implement with clear milestones and measurable outcomes.
- ✓ **Strengthen** — Support continuous improvement and capacity building.

Our Impact Footprint

Global Velocity has supported clients in:

-Botswana

-Zimbabwe

-South Africa

We continue to expand beyond the Southern African Development Community, supporting institutions seeking strategic clarity and investment readiness.

Target Clients

- ✓ Corporates
